SECTION 2.1 - GRANT OF RENEWAL LICENSE

(a) Pursuant to the authority of M.G.L. c. 166A, and the Cable Act the Issuing Authority hereby grants a non-exclusive Renewal License to Comcast Cable Communications Management, LLC, authorizing and permitting Licensee to construct, operate and maintain a Cable Television System in the Public Way within the municipal limits of the Town of Saugus. Nothing in this License shall be construed to prohibit Licensee from offering any service over its Cable System that is not prohibited by federal or state law.

(b) This Renewal License is granted under and in compliance with the Cable Act and M.G.L.c. 166A, and in compliance with all rules and regulations of the FCC and the Cable Division in force and effect during the period for which this Renewal License is granted.

(c) Subject to the terms and conditions herein, the Issuing Authority hereby grants to Licensee the right to construct, upgrade, install, operate and maintain a Cable Television System within the Public Way.

SECTION 2.2 - TERM: NON-EXCLUSIVITY [SEE M.G.L.c. 166A §3(d) and 13]

The term of this non-exclusive Renewal License shall be for a period of ten (10) years and shall commence on February 1, 2017, following the expiration of the current license, and shall expire at midnight on January 31, 2017.

SECTION 2.3 - POLE AND CONDUIT ATTACHMENT RIGHTS [SEE M.G.L.c. 166 §22-25]

Pursuant to M.G.L.c. 166, §§22-25, permission is hereby granted to Licensee to attach or otherwise affix including, but not limited to cables, wire, or optical fibers comprising the Cable Television System to the existing poles and conduits on and under public streets and ways, provided Licensee secures the permission and consent of the public utility companies to affix the cables and/or wires to their pole and

conduit facilities. By virtue of this License the Issuing Authority grants Licensee equal standing with power and telephone utilities in the manner of placement of facilities on Public Ways.

SECTION 2.4 - RENEWAL [SEE M.G.L.c. 166A §13]

(a) In accordance with the provisions of federal law, M.G.L.c. 166A, § 13 and applicable regulations, this Renewal License shall be subject to additional renewals for the periods not to exceed ten (10) years or such other periods as allowed by law.

(b) In accordance with applicable law, any such renewal or renewals shall be upon mutual written agreement by Licensee and the Issuing Authority and shall contain such modified or additional terms as Licensee and the Issuing Authority may then agree.

SECTION 2.5 - RESERVATION OF AUTHORITY

Nothing in this Renewal License shall (A) abrogate the right of the Issuing Authority to perform any public works or public improvements of any description, (B) be construed as a waiver of any codes or bylaws/ordinances of general applicability and not specific to the Cable Television System, Licensee, or this License, or (C) be construed as a waiver or release of the rights of the Issuing Authority in and to the Public Ways. Any conflict between the terms of this Renewal License and any present or future exercise of the municipality's police and regulatory powers shall be resolved by a court of appropriate jurisdiction.

SECTION 2.6 - NON-EXCLUSIVITY OF LICENSE

(a) This Renewal License shall not affect the right of the Issuing Authority to grant to any **other** Person a license or right to occupy or use the Public Ways or streets, or portions thereof, for the construction, upgrade, installation, operation or maintenance of a Cable Television System with the Town of Saugus; or the right of the Issuing Authority to permit the use of the Public Ways and places of the Town for any purpose(s) whatsoever. The Licensee hereby acknowledges the Issuing Authority's right to make such grants and permit such uses.

(b) The grant of any additional cable television license(s) shall be at the sole discretion of the Issuing Authority.

(i) In the event that the Licensee believes that any additional cable television license(s) have been granted on terms and conditions more favorable or less burdensome than those contained in this Renewal License, the Licensee may request, in writing, that the Issuing Authority convene a public hearing on that issue. Along with said written request, the Licensee shall provide the Issuing Authority with written reasons for its belief. At the public hearing, the Issuing Authority shall afford the Licensee an opportunity to demonstrate that any such additional cable television license(s) are on terms more favorable or less burdensome than those contained in this Renewal License. The Licensee shall provide the Issuing Authority with such financial or otherwise relevant information as is reasonably requested.

(ii) Should the Licensee demonstrate that any such additional cable television license(s) have been granted on terms and conditions more favorable or less burdensome than those contained in this Renewal License, the Issuing Authority shall negotiate, in good faith, equitable amendments to this Renewal License within a reasonable term.

(c) The issuance of additional license(s) shall be subject to applicable federal law(s), and M.G.L. Chapter 166A and applicable regulations promulgated thereunder.

(d) In the event an application for a new cable television license is filed with the Issuing Authority, proposing to serve the Town, in whole or in part, the Issuing Authority shall serve a copy of such application upon the Licensee by certified mail or via nationally recognized overnight courier services within a reasonable time thereafter.

(e) In the event that the Licensee believes that in the future another Licensee which has been granted a cable television license in the Town, has been provided relief by the Issuing Authority from a material obligation(s) of its license, which may include amendments to the license, that causes said other cable television license to be more favorable or less burdensome than this Renewal License, the Licensee may request, in writing, that the Issuing Authority convene a public hearing on that issue. Along with said written request, the Licensee shall provide the Issuing Authority with written reasons for its belief. The Licensee

shall provide the Issuing Authority with such financial or other relevant information as is requested. At the public hearing, the Issuing Authority shall afford the Licensee an opportunity to demonstrate that such relief causes said other cable license to be more favorable or less burdensome than this Renewal License. Should the Licensee demonstrate that any such relief causes said other cable television license to be more favorable or less burdensome than the Renewal License, the Issuing Authority shall consider and negotiate, in good faith, equitable amendments to this Renewal License.

SECTION 2.7 – POLICE AND REGULATORY POWERS

By executing this Renewal License, the Licensee acknowledges that its rights are subject to the powers of the Town and its right to adopt and enforce generally applicable by-laws in the lawful exercise of its police powers to the extent permitted by applicable law, with respect to the safety and welfare of the public. The Licensee shall comply with all applicable federal and State laws and regulations, and Town by-laws and lawful regulations, provided such Town by-laws and regulations are not specific to this License, the Licensee and/or Cable System. Any conflict between the terms of this Renewal License and any present or future lawful exercise of the Town's police and regulatory powers shall be resolved in a court of competent jurisdiction. Nothing in this Section 2.6 shall be deemed to prohibit the right of the Licensee to challenge the legality of a Town by-law or regulation.

SECTION 2.8 – REMOVAL OR ABANDONMENT

Upon termination of this Renewal License by passage of time or otherwise, unless (1) the Licensee has its license renewed for another term or (2) the ownership of the Cable Television System is transferred to another Person with written approval by the Issuing Authority in accordance with applicable law and pursuant to Section 2.8 below or (3) unless otherwise operating under the terms of this Renewal License as allowed by applicable law, the Licensee shall remove all of its supporting structures, poles, transmission and distribution systems, and other appurtenances from the Public Ways and shall restore the areas to their original condition as is reasonably possible and as soon as reasonably possible. If such removal is not

complete with six (6) months of such termination, the Issuing Authority may deem any property not removed as having been abandoned. Upon written request of the Licensee, the Issuing Authority may waive this requirement for good cause shown.

SECTION 2.9 – TRANSFER OF THE RENEWAL LICENSE

(a) Pursuant to M.G.L. c. 166A, Section 7, as may be amended from time to time, neither the Renewal License, nor control thereof, shall be transferred, assigned or disposed of in any manner, voluntarily or involuntarily, directly or indirectly, or by transfer of control of any Person, company and/or other entity holding such Renewal License to any other Person, company and/or other entity, without prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld. Such consent shall be given only after a public hearing upon a written application therefore on forms as may be prescribed by the FCC and/or the Cable Division. An application for consent to a transfer or assignment, if required, shall be signed by the Licensee and by the proposed transferee or assignee or by their representatives, evidence of whose authority shall be submitted with the application. A transfer or assignment of a license or control thereof between commonly controlled entities, between affiliated companies, or between parent and subsidiary corporations, shall not constitute a transfer or assignment of a license or control thereof under this Renewal License, unless otherwise provided by applicable federal or state law. An “affiliated company” is any Person or entity who owns or controls, is owned or controlled by, or is under common ownership or control with, such Person or entity.

(b) Pursuant to applicable state and federal law, as may be amended, in considering a request to transfer control of the Renewal License, the Issuing Authority shall consider the transferee’s financial capability, management experience, technical expertise and legal ability to operate a Cable System under the existing license and may consider any other criteria allowable under applicable law or regulation.

(c) The consent or approval of the Issuing Authority to any assignment or transfer of the Renewal License granted to the Licensee shall not constitute a waiver or release of the rights of the Town in and to

the streets and Public Ways or any other rights of the Town under the Renewal License, and any such transfer shall, by its terms, be expressly subordinate to the terms and conditions of the Renewal License.

(d) The Licensee shall submit to the Issuing Authority an original and one (1) copy, unless otherwise required by applicable law, of the application and FCC Form 394 requesting such transfer or assignment consent.

(e) The consent of the Issuing Authority shall be given only after a public hearing to consider the written application for transfer. Unless otherwise allowed by applicable law(s), the Issuing Authority shall make a decision on said written application within one hundred and twenty (120) days of receipt of said application. After 120 days, the application shall be deemed approved, unless said 120 day period is extended in writing by mutual agreement of the parties pursuant to applicable law.

(f) Any proposed controlling or owning Person or transferee approved by the Issuing Authority shall be subject to all of the terms and conditions contained in the Renewal License.

SECTION 2.10 – EFFECT OF UNAUTHORIZED TRANSFER ACTION

(a) Any transfer of the Cable System without the Licensee and the transferee complying with Section 2.9 above shall be null and void, and shall be deemed a material breach of this Renewal License.

(b) If the Issuing Authority denies its consent to any such action and a transfer has nevertheless been effected, the Issuing Authority may revoke and terminate this Renewal License, unless such transfer is otherwise allowable by applicable law.

(c) The grant or waiver of any one or more of such consents shall not render unnecessary any subsequent consent or consents, nor shall the grant of any such consent constitute a waiver of any other rights of the Town.

ARTICLE 3

SYSTEM SPECIFICATIONS AND CONSTRUCTION

SECTION 3.1 - AREA TO BE SERVED

The Licensee shall make its Cable Service available to all residents of the Town, subject to the requirements set forth below.

(a) Licensee shall make Cable Service available to every residential dwelling unit within the Town where the minimum density is at least thirty (30) dwelling units per aerial mile and sixty (60) dwelling units per underground mile providing however, that any plant extension is measured from the existing Trunk and Distribution System and Licensee is able to obtain from property owners any necessary easements and/or permits in accordance with the Cable Act. Licensee shall make service available to multiple dwelling units (MDU) where economically feasible and providing that Licensee is able to obtain from the property owners any necessary easements, permits and agreements to provide service to said MDU. Subject to the density requirement, Licensee shall offer Cable Service to all new homes or previously unserved homes located within one hundred twenty-five feet (125') of Licensee's Distribution Cable. For non-Standard Installations Licensee shall offer said service within ninety (90) days of a Subscriber requesting such for aerial installations and one hundred eighty (180) days, weather permitting, of a Subscriber requesting such for underground installations. With respect to areas of the Town which are currently served by Licensee from a contiguous cable television system or currently unserved but could be served from abutting towns(s) served by Licensee, Licensee shall have the option to serve such areas from its cable television system in such abutting town(s).

(b) Installation costs shall conform with the Cable Act. Any dwelling unit within an aerial one hundred twenty-five feet (125 ft.) of the Trunk and Distribution Cable shall be entitled to a Standard Installation rate in accordance with applicable federal and state laws. Underground installs are considered

non-standard installations. All non-standard installations shall be provided at a rate established by the Licensee in accordance with applicable federal and state laws.

(c) Provided Licensee has at least ninety (90) days' prior written notice concerning the opening of residential subdivision trench or of the installation of conduit for the location of utilities, it shall install its cable in such trench or conduits or may seek permission to utilize alternative trenching or conduits within a comparable time frame. If a substantial quantity of cable is required for a large subdivision and said quantity is not in stock, Licensee shall be allowed additional time for said installation. The Issuing Authority, or its designee, shall exercise reasonable efforts to have the Planning Board and developers give timely written notice of trenching and underground construction to Licensee. Developer shall be responsible for the digging and back-filling of all trenches.

SECTION 3.2 - SUBSCRIBER NETWORK

Licensee shall maintain a Cable Television System, fully capable of carrying a minimum bandwidth of 750MHz.

SECTION 3.3 – LOCATION OF THE CABLE TELEVISION SYSTEM

- (4) the satisfactory removal or other disposition of the Cable System in accordance with M.G.L.c. 166A, § 5(f).

(b) Licensee shall not reduce the amount or cancel said bond, or materially change the terms of said bond from the provisions of Section 9.3(a) herein without the Issuing Authority's prior written consent. The Issuing Authority shall not unreasonably withhold its consent.

SECTION 9.4 - LICENSE FEES

(a) During the term of the Renewal License the annual License Fee payable to the Issuing Authority shall be the maximum allowable by law, per Subscriber served as of the last day of the preceding calendar year, payable on or before March 15th of the said year. Pursuant to M.G.L.c. 166A, § 9, this fee is currently fifty cents (\$.50) per Subscriber, but not less than Two Hundred and Fifty Dollars (\$250.00) annually.

(b) In accordance with Section 622(b) of the Cable Act, Licensee shall not be liable for a total Franchise Fee pursuant to this Renewal License and applicable law in excess of five percent (5%) of its Gross Annual Revenues; provided, however, that said five percent (5%) shall include (i) the PEG Access Support (Section 6.4) and (ii) any amounts included in the term "Franchise Fee" pursuant to Section 622(g)(1) of the Cable Act), but shall not include the following: (i) PEG Access Capital Support (Section 6.5); (ii) interest due herein to the Issuing Authority because of late payments; and (iii) any other exclusion to the term "Franchise Fee" pursuant to Section 622(g)(2) of the Cable Act.

(c) All payments by Licensee to the Town pursuant to this Section shall be made payable to the Town unless otherwise agreed to in writing by the parties and shall be made annually, no later than March 15th of each year, unless otherwise provided under applicable law.

SECTION 9.5 - REPORTS

(a) Licensee shall file annually with the Cable Division on forms prescribed by the Cable Division, a sworn statement of its revenues and expenses for official use only. In addition, Licensee shall also file with the Cable Division, a financial balance sheet and statement of ownership which shall be supplied upon written request of the Issuing Authority. These requirements shall be subject to the regulations of the Cable Division.

(b) In addition, Licensee shall maintain for public inspection all records required by the FCC and as specified in 47 CFR §76.305 in the manner prescribed therein.

SECTION 9.6 – OTHER PAYMENT OBLIGATIONS AND EXCLUSIONS

(a) The Franchise Fee and License Fee payments shall be in addition to and shall not constitute an offset or credit against any and all taxes or other fees or charges of general applicability which Licensee or any Affiliated Person shall be required to pay to the Town, or to any state or federal agency or authority, as required herein or by law; the payment of said taxes, fees or charges shall not constitute a credit or offset against the Franchise Fee and License Fee payments which shall be a separate and distinct obligation of the Licensee and each Affiliated Person. The Licensee herein agrees that no such taxes, fees or charges of general applicability shall be used as offsets or credits against the Franchise Fee or License Fee payments.

(b) In accordance with Section 622(h) of the Cable Act, nothing in the Cable Act or this Renewal License shall be construed to limit the authority of the Issuing Authority to impose a tax, fee or other assessment of any kind on any Person (other than the Licensee) with respect to Cable Service provided by such Person over the Cable System for which charges are assessed to Subscribers but not received by the Licensee. For any twelve (12) month period, the fees paid by such Person with respect to any such Cable Service or any other communications service shall not exceed five percent (5%) of such Person's gross revenues derived in such period from the provision of such service over the Cable System.

SECTION 9.7 – LATE PAYMENT

In the event that the payments required pursuant to this Article 7 are not tendered to the Town on or before the dates fixed herein by or pursuant to Section 7.3 above or applicable law, interest due on such fee payment shall accrue from the date due at the rate of two percent (2%) above the Prime Rate.

SECTION 9.8 – RECOMPUTATION

(a) Tender or acceptance of any payment, including any payment of a Franchise Fee or License Fee or any payment required in Article 6 of this Renewal License shall not be construed as an accord that the amount paid is correct, nor shall such acceptance of payment be construed as a release of any claim that the Issuing Authority may have for additional sums including interest payable under Article 6 or Article

7. All amounts paid shall be subject to audit and recomputation by the Issuing Authority, and shall occur in no event later than two (2) years after the subject payment has been tendered.

(b) If the Issuing Authority has reason to believe that any such payments are incorrect, the Licensee shall have thirty (30) business days after a written request from the Issuing Authority to provide the Town with additional information documenting and verifying the accuracy of any such payment(s). In the event that the Issuing Authority does not believe that such documentation supports the accuracy of such payment(s), the Issuing Authority may conduct an audit of such payment(s). If, after such audit and recomputation, an additional payment is owed, such payment shall be paid within thirty (30) days after such audit and recomputation, and the Licensee shall pay all of the costs of such audit not to exceed Two Thousand Dollars (\$2,000). If after such audit no additional payment is required, the Licensee will not be responsible for any cost of such audit. The interest on such additional fee shall be charged from the due date at the rate of two percent (2%) above the Prime Rate during the period that such additional amount is owed.

SECTION 9.9 – REGULATORY AUTHORITY

The Issuing Authority and/or its designee(s) shall be responsible for the day to day regulation of the Cable System. The Issuing Authority and/or its designee(s) shall monitor and enforce the Licensee's compliance with the terms and conditions of this Renewal License.

SECTION 9.10 – PERFORMANCE EVALUATION HEARINGS

The Licensee, if requested in writing by the Issuing Authority, shall attend a performance evaluation hearing no more than once per year. Nothing in this Section 9.10 shall limit any rights that the Issuing Authority may have to conduct additional hearings and/or the Licensee's attendance at such hearing. The Issuing Authority shall provide Licensee with the results of its performance evaluation in writing within sixty (60) days after the conclusion of such hearing.

SECTION 9.11 – NONDISCRIMINATION

The Licensee shall not discriminate against any Person in its solicitation or Service on the basis of race, color, creed, religion, ancestry, national origin, geographical location within the Town, sex, sexual orientation, disability, age, marital status, or status with regard to public assistance. The Licensee shall be subject to all other requirements of federal and State laws or regulations, relating to nondiscrimination through the term of the Renewal License.

SECTION 9.12 – JURISDICTION/VENUE

Jurisdiction and venue over any dispute, action or suit shall be in any court of appropriate venue and subject matter jurisdiction located in the Commonwealth of Massachusetts and the parties by the instrument subject themselves to the personal jurisdiction of said court for the entry of any such judgment and for the resolution of any dispute, action, or suit.

SECTION 9.13 - EQUAL EMPLOYMENT OPPORTUNITY

Licensee is an Equal Opportunity Employer and shall comply with applicable FCC regulations with respect to Equal Employment Opportunities.

SECTION 9.14 - REVOCATION OF LICENSE

The License issued hereunder may, after due written notice and hearing per Section 9.8 (Notice and Opportunity to Cure), be revoked by the Issuing Authority or the Cable Division for any of the following reasons:

(a) For false or misleading statements in, or material omissions from, the application submitted under M.G.L.c. 166A, § 4;

(b) For failure to file and maintain the performance bond as described in Section 9.3 (Performance Bond) or to maintain insurance as described in Section 9.2 (Insurance);

(c) For repeated violations, as determined by the Cable Division, of commitments of the license as set forth in M.G.L.c. 166A, § 5(j);

(d) For repeated failure, as determined by the Cable Division, to maintain signal quality pursuant to the standards provided for by the FCC and/or Cable Division;

(e) For any transfer or assignment of the Renewal License or control thereof without consent of the Issuing Authority in violation of Section 9.9 herein;

(f) For repeated failure to comply with the material terms and conditions herein required by M.G.L.c. 166A, §5; and

(g) For failure to complete construction in accordance with the provisions of the Renewal License.

SECTION 9.15 - NOTICE AND OPPORTUNITY TO CURE

In the event that the Issuing Authority has reason to believe that Licensee has defaulted in the performance of any or several provisions of this Renewal License, except as excused by Force Majeure, the Issuing Authority shall notify Licensee in writing, by certified mail, of the provision or provisions which the Issuing Authority believes may have been in default and the details relating thereto. Licensee shall have thirty (30) days from the receipt of such notice to:

(a) respond to the Issuing Authority in writing, contesting the Issuing Authority's assertion of default and providing such information or documentation as may be necessary to support Licensee's position; or

(b) cure any such default (and provide written evidence of the same), or, in the event that by nature of the default, such default cannot be cured within such thirty (30) day period, to take reasonable steps to cure said default and diligently continue such efforts until said default is cured. Licensee shall report to the Issuing Authority, in writing, by certified mail, at thirty (30) day intervals as to Licensee's efforts, indicating the steps taken by Licensee to cure said default and reporting Licensee's progress until such default is cured.

(c) In the event that (i) Licensee fails to respond to such notice of default; and/or (ii) Licensee fails to cure the default or to take reasonable steps to cure the default within the required thirty (30) day period;

the Issuing Authority or its designee shall promptly schedule a public hearing no sooner than fourteen (14) days after written notice, by certified mail, to Licensee. Licensee shall be provided reasonable opportunity to offer evidence, question witnesses, if any, and be heard at such public hearing.

(d) Within forty-five (45) days after said public hearing, the Issuing Authority shall issue a written determination of its findings. In the event that the Issuing Authority determines that Licensee is in such default, the Issuing Authority may determine to pursue any lawful remedy available to it.

(e) In the event that (i) the Issuing Authority fails to issue a written determination within 45 days accepting or rejecting Licensees' response pursuant to 9.8(a) above; (ii) the Issuing Authority fails to issue a written acknowledgement after Licensee's notice that it cured said default pursuant to 9.8(b) above; and/or (iii) the Issuing Authority fails to schedule a public hearing no later than thirty (30) days of having sent a written notice consistent with Section 9.8(c) above and/or (iv) the Issuing authority fails to issue a written determination with forty-five (45) days after the public hearing pursuant to Section 9.8(d) above, then the issue of said default against Licensee by the Issuing Authority shall be considered null and void.

SECTION 9.16 - REMOVAL OF SYSTEM

Upon termination of this Renewal License or of any renewal hereof by passage of time or otherwise, Licensee shall remove its supporting structures, poles, transmission and distribution systems and other appurtenances from the streets, ways, lanes, alleys, parkways, bridges, highways, and other public and private places in, over, under, or along which they are installed and shall restore the areas to their original condition. If such removal is not completed within six (6) months of such termination, the Issuing Authority or property owner may deem any property not removed as having been abandoned.

SECTION 9.17 - INCORPORATION BY REFERENCE

(a) All presently and hereafter applicable conditions and requirements of federal, state and generally applicable local laws, including but not limited to M.G.L.c. 166A, and the rules and regulations of the FCC and the Cable Division, as they may be amended from time to time, are incorporated herein by

reference, to the extent not enumerated herein. All such general laws, rules, and regulations, as amended, shall control the interpretation and performance of this Renewal License to the extent that any provision of this Renewal License conflicts with or is inconsistent with such laws, rules or regulations.

(b) Should the Commonwealth of Massachusetts, the federal government or the FCC require Licensee to perform or refrain from performing any act the performance or non-performance of which is inconsistent with any provisions herein, the Issuing Authority and Licensee will thereupon, if they determine that a material provision herein is affected, modify any of the provisions herein to reflect such government action.

SECTION 9.18 - NO THIRD PARTY BENEFICIARIES

Nothing in this Renewal License is intended to confer third-party beneficiary status on any member of the public to enforce the terms of this Renewal License.

SECTION 9.19 – NON-EXCLUSIVITY OF REMEDY

No decision by the Issuing Authority or the Town to invoke any remedy under this Renewal License or under any statute, law or by-law shall preclude the availability of any other such remedy.

SECTION 9.20 – NO WAIVER-CUMULATIVE REMEDIES

(a) No failure on the part of the Issuing Authority, the Town or the Licensee to exercise, and no delay in exercising, any right in this Renewal License shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any other right, all subject to the conditions and limitations contained in this Renewal License.

(b) The rights and remedies provided herein are cumulative and not exclusive of any remedies provided by law, and nothing contained in this Renewal License shall impair any of the rights of the Town or of the Licensee under applicable law, subject in each case to the terms and conditions in this Renewal License.

(c) No waiver of, nor failure to exercise any right or remedy by the Issuing Authority, the Town or the Licensee at any one time shall not affect the exercise of such right or remedy or any other right or remedy by the Town or the Licensee at any other time. In order for any waiver of the Issuing Authority, Town or the Licensee to be effective, it shall be in writing.

(d) The failure of the Issuing Authority or the Town to take any action in the event of any breach by the Licensee shall not be deemed or construed to constitute a waiver of or otherwise affect the right of the Issuing Authority or the Town to take any action permitted by this Renewal License at any other time in the event that such breach has not been cured, or with respect to any other breach by the Licensee.

If it is agreed by the parties that such information is proprietary, then any obligation pursuant to Section 10.1(a) is not applicable. Said reports shall include the

following information and any other information that may be required by applicable law(s): (i) confirmation that, under normal operating conditions, telephone answer time by a customer representative, including wait time, shall not exceed thirty (30) seconds when the connection is made (which standard shall be met no less than ninety (90) percent of the time under normal operating conditions, measured on a quarterly basis); and (ii) confirmation that, under normal operating conditions, the customer will receive a busy signal less than three (3) percent of the time.

Where there exists evidence which, in the reasonable judgment of the Issuing Authority, casts doubt upon the reliability or technical quality of Cable Service(s), the Issuing Authority shall cite specific facts which cast such doubt(s), in a written notice to the Licensee. The Licensee shall submit a written report to the Issuing Authority, within thirty (30) days of receipt of any such notice from the Issuing Authority, setting forth in detail its explanation of the problem(s).

SECTION 10.7 - DUAL FILINGS

If requested, in writing, the Licensee and the Issuing Authority shall provide to one another copies of any petitions or written communications with any State or federal agency or commission pertaining to any material aspect of the Cable System operation hereunder and subject to Section 10.1 above.

SECTION 10.8 - INVESTIGATION

Subject to applicable law and regulation, the Licensee and any Affiliated Person(s) shall cooperate fully and faithfully with any lawful investigation, audit or inquiry conducted by a Town agency; provided, however, that any such investigation, audit or inquiry is for the purpose of establishing the Licensee's compliance with its obligations pursuant to this Renewal License.
