

## **\*Use of Containers at Riverside Cemetery\***

The type of container allowed must be rectangle and can have a maximum size of 24" long by 8" wide. These types of containers can be purchased at a local florist or home improvement store. Memorial planters and containers with legs that are within the size limit are also allowed.

Approved container size:

**CONTAINER MAY NOT EXCEED 24" LONG BY 8" WIDE**

**CONTAINER MUST BE PLACED IN FRONT OF THE HEADSTONE WITHIN  
THE 12" PLANTING ALLOTMENT**

**SOME CONTAINERS ARE NOT SUITABLE FOR SNOW OR THE WINTER. THE CEMETERY  
WILL NOT TAKE RESPONSIBILITY FOR ANY DAMAGE TO THEM.**

**ONLY ONE (1) CONTAINER PER PLOT IS ALLOWED**

## **\*Use of Artificial Flowers at Riverside Cemetery\***

The use of artificial flowers is allowed year round, if they meet the following requirements.

Flower stems must be securely placed in a rectangle container (24" x 8" maximum size), and the container must be placed in front of the headstone within the 12" planting allotment.

**NO ARTIFICIAL FLOWERS MAY BE PLACED IN THE GROUND AT ANY TIME**

**ALL ARTIFICIAL FLOWERS MUST BE IN AN APPROVED CONTAINER (see above)**

### **Please note:**

No plantings, artificial flowers stuck in the ground or upright monuments are allowed on single graves at any time.

Flat markers may have a container that has legs on it so that it can easily be moved for grounds maintenance.

The cemetery is not responsible for flowers or decorations placed on lots or graves.
