Article 8  
Remodeling or repairing  
Town owned buildings and purchasing equipment

This appropriation of \$1,250,000.00 will be used for upgrading and improving Town owned buildings and for the purchase of equipment. As a result of the COVID-19 pandemic, there are additional modifications to Town and School buildings that are required to protect the safety of the students, teachers, employees, residents and visitors. This may include but not limited to health and safety equipment and modifications to office and classroom space to ensure social distancing and to meet the health and safety guidelines of the COVID-19 pandemic.

The Town of Saugus has received funding for some of the items to be addressed under the CARES Act, however, there are some limitations for which these funds can be used. This article will address items for which the CARES Act funding may not apply.

The source of funding for this article is a borrowing authorization.
