

Article 9: Parks and Playgrounds

This appropriation is part of the continued investment in the improvement of the parks and playgrounds of the Town of Saugus. This appropriation of \$500,000.00 will be used for design, construction, lighting, and security.

The projects to be included, but not limited to, are the Evans School basketball courts and an ice rink next to the public safety building.

The funding source for this appropriation is a borrowing authorization.
